## ADDITIONAL PROGRAMING

The WV DUI Safety and Treatment Program is a **minimum** of six (6) weeks. - INTERVENTION COMPONENT – a series of one hour groups that are started after successful completion of the 18 Hour Education. The fee for the Intervention sessions is \$ 50.00 per session.
- TREATMENT COMPONENT – This level of care includes in-patient or out-patient substance abuse treatment. While Callahan Counseling Services offers out-patient substance abuse treatment, it may be more feasible for the client to obtain services at another provider, better suited for the individual client's needs. This will be discussed at the time of enrollment.

Determination of the level of care will be made at the time of enrollment; however, additional programming may be required if:

- It is determined during that the client has not remained alcohol or drug free during the time enrolled in the program.
- The client is in need of re-enrollment based on no-activity for thirty days or improper activity.
- The client has had a positive breathalyzer or drug screen for any non-prescribed medications, or if there is any other indication of violation of the alcohol & drug free policy of the program.
- Other rule infractions or behaviors that would indicate a higher level of care for completion.

If I disagree with the assessment and resulting recommendations, treatment plan, or action plan I may request an appeal at the time of the enrollment. The client will have three business days to submit an appeal. The appeal will be reviewed by clinical personnel not involved in the initial assessment. A report from the clinician will be submitted stating the reasons for the placement. Completion of the appeals process will allow the client to appeal to the DMV directly. The decision of the DMV will be final.

## COMPLETION

All requirements must be completed before any documentation of completion can be delivered, including all fees for services paid in full. I fully understand that the DMV has the final decision regarding the re-instatement of my driving privileges in the State of WV.
